Year 6 Pupils

A shirt and school tie replaces the polo-shirt for both boys and girls. V-Neck sweatshirts are available to order to compliment this alteration to the uniform.

Physical Education

P.E. T-shirt with school logo, or Plain White T-shirt
Navy / Black Shorts
Black Pumps (No trainers)

Jewellery

Only watches and plain stud earrings are allowed for health and safety reasons. All jewellery must be removed before a child is allowed to take part in any lesson involving physical activity. We recommend that no jewellery is worn on P.E. days to avoid loss or damage.

We ask that any ear-piercings are done at the start of the summer holidays so that your child's education is not disrupted.

Girls' Shoes

For practicality reasons, ballet style shoes (i.e. shoes which do not have a strap) and boots are unsuitable for the amount of physical activity that takes place in School. Shoes with raised heels are also unsuitable and therefore not permitted.

Hair & Hair Accessories

We ask that any accessories (hair bobbles, clips, headbands etc) are in School colours i.e. Navy blue, black or white. Flowers / bows are not permitted in children's hair. To help control the spread of nits, all hair which is shoulder length or longer must be tied back.

'Fashion' hairstyles are not permitted. Examples of which include:

Shaved lines, pictures or part shaved styles Coloured hair or artificial braiding.
Short shaved cuts (number 1)

And finally...

Nail varnish or nail art is not permitted, nor are temporary tattoos. Also, we strongly advise that children have a pair of wellies available at home, ready to bring in during the winter months, or when we complete outdoor activities.
